### 2025 Holy Cross Milestone Statement

*Connecting all to our identity and community in Christ at Holy Cross*

#### Simplified Stewardship

Please read the previous newsletter articles to learn more about stewardship.

Simplified Stewardship Treasure #1 - At the beginning of the year, evaluate your income and assets to regularly and proportionally give to your congregation. 2 Corinthians 8:3

Simplified Stewardship Treasure #2 - Regularly, weekly/monthly, give to your congregation your treasure stewardship. 1 Corinthians 16:1-2

Simplified Stewardship Time #1 – Schedule your yearly calendar based on God's Festivals in Christ. Acts 20:16

#### Stewardship Definition

Our Synod (LC-MS) has tried to simply define what it means to be a steward, God's child living in God's kingdom. Christian stewardship is the free and joyous activity of God's family — the church — in managing all of life's resources for His purposes.

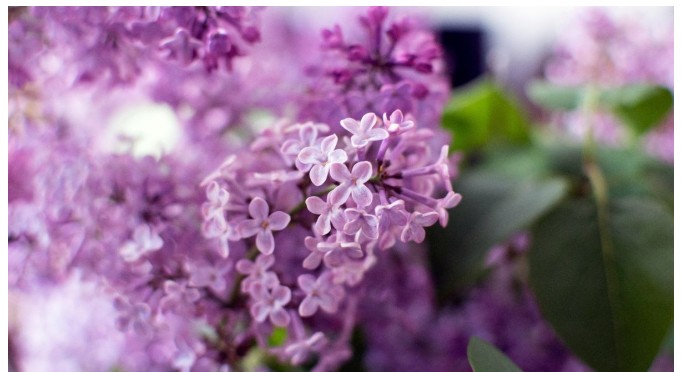

#### Time, Talent, and Treasure

God has given you all things in Christ Jesus as a gift for His kingdom, for your neighbor, and eventually for your enjoyment. Many will simplify stewardship by saying it encompasses all of our Time, Talent, and Treasure. All that we do, each day, how we plan, and what we accomplish is all considered our stewardship of time. Our abilities, desires, strengths, weaknesses, and vocations are all considered our stewardship of talent. Our possessions, our income, our expenses, and our wealth are all considered our stewardship of treasure.

#### Time

God has redeemed you out of slavery of sin, from the devil, and from the sinful world. He has called you to be His child, a co-heir with Jesus Christ, and to work in His business according to His will. You are now a Christian steward of all the time that God has given you! You are no longer in control of your calendar. You

*(Continued on page 2)*

first have to look at your Master, Jesus Christ, and His Word in Scripture as to scheduling your life – your year, month, week, and days. So many Christians waste their time on sinful pleasures. They squander their time on earthly things that do not matter. They focus their time on themselves rather than on God and others. But God considers you a great manager of the time He has given you!

## **Talent**

You are created by God the Father to be a specifically unique individual with amazing talents. You have been redeemed by God to live a life justified in Christ. You have been sanctified by God to live out this life in service to Him and to others. You have vocations of what God has called you to be and do - mother, father, brother, sister, son, daughter, member of a congregation, worker, etc. He has given you your abilities, your interests, your hobbies, your struggles, and your achievements. All these things have been graciously given to you so that you may work in His Kingdom and business, being productive in producing His fruit and sharing His generosity in service to Him and others.

## **Treasure**

God has given you all your possessions and wealth. Now you use all of them in service to Him. That also means you give back to Him through your congregation (usually called a Tithe or Proportional Giving), through free will offerings in addition to those, and through your daily spending of your wealth. It isn't your house, your property, your wealth, your stocks, your investments, your bank account, or your cash. All these things are God's, and He has generously lent them to you to manage on His behalf for His kingdom. So, we look to His Word and will as to how best to serve Him with all our wealth and income.

## **More Simplified Stewardship to Come**

Throughout this year (and possibly beyond), we will be learning more Simplified Stewardship habits as we grow in our identity and community here at Holy Cross. If you have found this small, simplified stewardship habit and definition beneficial, please share it with others and pass it along to your family. Also, if you have other small tips, tricks, or habits that have helped you in your Christian stewardship, please pass them along to me and other Christians. I also ask that you share this with others in our congregation, as many have not yet read these newsletter articles or seen the Sunday morning slides. We joyfully learn and grow from and with each other as we are connected here at Holy Cross!

Living and growing in what it means to be a steward of God,

*Pastor Zillinger*

## **Note from the President**

**Nathan Borchers**

March was a better month financially, but this will continue to be a challenging year and we are watching it closely. Overall numbers are below.

After years of service in multiple roles, Ron Heitz, our Treasurer needed to step down. We appreciate his service and thank God for all he has done over the years for Holy Cross. Janie Reinhardt (our Secretary) has moved over and stepped into the Treasurer role. We are now working to fill the Secretary position, which may come from someone already on the board. Regardless, we will need to find one more person for the Board to

fill the vacancy. If you are interested in joining the Board of Directors, please let me know.

I know a lot of people are wondering about the garden. After years of serving as the garden leaders, Trish and Vern Gillette stepped down from that role. We truly appreciate their service and all they have done. After not finding anyone to step into that role, I have decided to lead the garden efforts. I'm not sure what 2025 will look like as we hope to have several work days to do some needed improvements and repairs. More to follow soon.

As always, if you have questions, please let me know.

# Honduras Special Project

Greetings to all of you! I am thrilled to report that we have safely concluded our 2025 trip to Honduras. We had 18 travelers depart for Denver on March 19th and return to their homes in the early morning hours on Saturday, March 29th.

There are so many blessings that God provided over the course of the trip that I cannot possibly recount them all, but I will share a few highlights.

In Lepaterique, we were able to see firsthand the incredible progress that Pastor Omar has made on the community clinic. The Holy Cross men joined in with ~ 40 men from Betesda church as we mixed concrete with hand tools, loaded it into buckets, and carried tons of concrete up the stairs one bucket at a time to complete the 1st floor roof and provide the foundation for what will become a mental health area for the clinic. The raw materials were all provided by the Holy Cross special project fundraiser. It was a further joy for me to recognize four men helping as recipients of a roof for their home from former Holy Cross special projects as well. Several of our older sponsor children were also there, working alongside the men of their church. It was hard work, but a joy to be able to participate and encourage. As continued reassurance of Pastor Omar's good stewardship, there were additional funds remaining from what Holy Cross sent and he intends to continue using those funds further building out the clinic, focusing next on the walls for the second floor.

The "main event" for our time in Lepaterique was the VBS at the field in Cirmatagua. Over 500 children from the surrounding villages participated as we sang songs, presented a skit about Jesus (almost entirely in Spanish!), and played carnival games. We then helped with distributing a meal to 1,025 men, women, and children. Just further showing God's blessings, Holy Cross' impact, and Pastor Omar's stewardship, the meal's protein was from the slaughter of two pigs which were purchased by sales of eggs from chickens purchased two years ago by members of Holy Cross.

The team had in-person visits with 28 children directly sponsored by team members. It is always such a joy to see those connections made, whether for a first time or when it is like visiting extended family. The mission team further hand-delivered an additional 57 gifts from Holy Cross members and friends who also sponsor children. (Only 9 of the 57 children were not present to meet with a Holy Cross team member.) The team shared stories and took notes, prayer requests, and pictures and are delivering those back to their sponsor families.

We further conducted a family night event with ~20 families, shared a meal and visited with 10 university students partially supported by Holy Cross, and attended two weddings and Sunday morning worship. We then transitioned back to Tegucigalpa, sharing a final "fun" day and blessed 24 of the Betesda staff with a small gift of appreciation for all they do for Betesda throughout the year.

In Tegucigalpa, we were able to do VBS for ~ 40 children at Santa Redencion. This is the first trip since Santa Redencion ended its partnership with Compassion International. The young children now only visit the church on Saturdays for learning and meals. They were so grateful that Holy Cross continued to visit them faithfully as they are struggling somewhat with the Compassion change. However, Pastor Jorge, remains optimistic and he is very excited about his desire to establish vocational opportunities for older youth. About 110 youth have already made it through a first introductory workshop in a variety of fields including jewelry making, barbering,

baking, carpentry, and electrical. He is developing ways that Holy Cross and other churches could potentially partner further to reach more children and help equip them spiritually and vocationally. Hopefully more to come on that.

We also visited Casa David and one of the local public hospitals. At the hospital, we provided care packages including food and toys for young children. At Casa David (which is like a Ronald McDonald house), we were able to present a devotion, sing, and visit/pray with patients/family members while providing a meal for them and staff.

We had a few of our veterans become ill over the course of the trip, but Susan McCormack,

our medical team lead, quickly provided excellent care. Prayer requests were being fervently relayed back home and Holy Cross prayer warriors were engaged. It was such a joy after several days of having one or more participants have to sit out to rest to again be at full strength as we visited Good Shepherd LCMS in Comayagua for VBS, worship, and a meal with their staff. The VBS had ~70 children, but they were so excited to see us return, we received a welcome there that nearly rivaled in volume the 500 in Cimatagua. Aaron Tisdale, former Holy Cross member who is currently in the SMP, led the worship service and the congregation responded natively in both English and Spanish simultaneously. It was a challenge at the beginning of the service, but as we started the Lord's prayer both the English and Spanish somehow synchronized, the language barrier evaporated, and we were all praying the prayer Jesus taught us as one body in Christ. Such a humbling and powerful moment.

God blessed this trip from beginning to end and I am thankful for the hearts and minds of the entire travel team. They are all wonderful children of God! It has been amazing for me personally to see how God continues to drive change and growth both in Honduras and Colorado Springs each year. On behalf of all of our friends there, please know that they are so incredibly grateful for the love, support, encouragement, and prayers provided by Holy Cross. I cannot say thank you enough from myself, the team, and our brothers and sisters in Honduras to the Holy Cross staff, prayer partners, drivers, countless other volunteers, and the congregation. Thank you.

Blessings, Kevin

(It is the Circuit's long-term goal to once again have Lutheran grade school education here in the Springs. A thriving kindergarten is one step in that direction.)

## Garden Update

After several years of running the Holy Cross garden, Trish and Vern Gillette have stepped down – we so very much appreciate all their hard work and all they have done! **Nathan Borchers** has stepped into the garden leadership role. After careful review and several discussions, it has been decided this year will largely be a year to focus on some of the repairs and upgrades / updates needed in the garden. That said, returning gardeners who have plots and wish to garden this year will be able to do so, but support may be limited as we prioritize the entire garden and look to the future. Be on the lookout for work days and help needed in the next few months. Reach out to Nathan with questions or contact the church office and we will connect you.

As modeled by Jesus,

we will build a **WELCOMING** community.

## Online Movie Night

- A company called Catalyst streams Christian movies every Friday and Sunday night at 7 p.m., and they allow churches such as Holy Cross to put them on their websites.
- The movies are not an "on demand" type of thing where you can watch the movie anytime you want. It plays at exactly 7 p.m. and goes from start to finish.

You can see the movie schedule and also access other resources such as study questions [here](#). The link on our website is near the bottom of our [landing page](#). This is where you need to go to watch the movie at 7 p.m. Friday or Sunday night. Let us know if you give it a try and tell us what you think.

I am the resurrection and the life.  
Whoever believes in me,  
though he die, yet shall he live.
